PREFACE

Sleep-silence—a short pause in the day to have a drink, to smoke a cigarette, to slow a day, to dream and to remember. It was easy in the crib, it was easy in our past. Magic passages of laughter and discovery, love and friendship, held tightly in the mind, barded for a time when so little can be won, so much has been left undone, and monotony is the order of the day. For some, time moves too fast, flying fleet and free as we stretch our wings. And others find time all too plentiful, amassed high ahead high behind trapping them with puzzles they will never solve. It is certainly an odd sort of predicament, too much time, not enough, how, indeed, can we share the wealth, to stretch the time for some, soften it for others? Where is this all important answer, this time machine?

For H. G. Wells the time machine was a step further, a step back, a way to hurl his mind beyond yesterday's looking back on tomorrow. It was his doorway to discovery, his gateway to understanding. Surely such things are fiction, a glass menagerie—or are they? Can we not stop time, a bullet in flight, the deluge of water from a faucet? Are we not able to capture texture, tone, beauty and life on celluloid? Certainly if we have achieved greatness it is in the ability to preserve beauty and cherish memories. Toward this end this publication is devoted. Pictures of life, pictures of a year of promise and brotherhood, pictures of discovery and dreams, have been stored safely within the covers of this book, perhaps to be looked at once and never again, perhaps to be looked at in loneliness or pain, or perhaps to resurrect former days, days that went by too swiftly, into a time when the happiness and friendship we had meant much more. In any case, we leave to uncertainty a year, and a chance, for those of us who may wish to journey to a very special year, in their own time machine.

Fr Merlin Mulvihill, SJ completed 19 years of service to Strake Jesuit this year. He returned home to New Orleans to be with his parents and to work at New Orleans Jesuit. He began at SJ in 1962, three years before our first graduating class in 1965. He taught religion, English, and Latin classes in those early years. He also taught religion at St. Agnes and was chaplain for the sisters there until 1970, celebrating Mass daily at the convent chapel. In 1969, he was appointed the Admissions Director for SJ in addition to his teaching duties. In this office, he was the first introduction to SJ for many of the parents and alumni. For many years he was chaplain to all of the Freshmen athletic teams and became Alumni Director in his last year. In addition Father has given himself in the greater Houston community. He spent time in the summers working in the MRE program at the University of St. Thomas. He helped with Mass, CCD, and various pastoral programs at Notre Dame and St. Francis de Sales. He was also involved at St. Benedict and St. Thomas More parishes. For the last few years he celebrated Mass and visited the elderly at Bayou Glen nursing home on a regular basis. Father was one of the few Jesuits to serve on the Diocesan school board. He was also involved in the Beginning Experience Program (for divorced, widowed) and helped with Retreats, Days of Recollection, and other pastoral programs at the Cenacle. A "friend" who never denied his time and talents to anyone in need, he is a great Jesuit who will be truly missed by everyone in the Strake Jesuit and greater Houston community.

FR. MERLIN MULVIHILL, SJ.

FR. CHRISTOPHER BILLAC, S.J. DEDICATION

Fr. Christopher August Billac, S.J. completes 15 years of service to SJ this year. During this time his influence and friendship have been deeply felt and appreciated by hundreds of students faculty, members of the staff and parents. A native of New Orleans, Louisiana, Father Billac was born on October 18, 1933. He attended Jesuit High School and graduated in 1952. He entered the Jesuit Novitiate and pursued his interest in the classics, obtaining his AB degree from Spring Hill College in 1958. He holds Masters Degrees in Philosophy and the Classics from Loyola of Chicago. Father Billac came to SJ in 1967 when the school was still in a formative stage. He has been chairman of both the Latin Department and the Foreign Language Department. He has also taught World History and Theology. A brief sabbatical year at the Salesian University of Rome in 1973 allowed time for pursuing his avid interest in the classics and Roman Civilization. Pater Billac has also served as the moderator for the State Rally, Latin Club and has been chaplain of the JV Football team. A frequent visiting priest in local parishes, Father Billac has taught Church History in the Diocesan Adult Education Program and also served on the Priests' Senate. In 1976 he was named Rector of the Houston Jesuit Community Teacher, priest and friend he will be missed by all who have shared in the presence of this unique Jesuit. Vale! Pater Billac!

PRESIDENT'S LETTER

STRAKE JESUIT

College Preparatory
Office of the President

Mr. Edward A. Maresma

Mr. Edward A. Maresma, President of Stake Jesuit, has written this letter to you. In it he tells his story, which contains a message and meaning for the present and the future.

Mr. Maresma has written this letter to you, to thank you for your participation in the community of Stake Jesuit. He wants you to remember your experiences, your participation in the community, and how it helped to shape you and which you helped to shape, a Community that you can never forget at will through these pages.

Mr. Maresma has written this letter to you, to tell you about Stake Jesuit, not in an attempt to relive the past, but rather to help you to remember the past, to help you to remember the operation of a Community of caring and concerned persons. All persons in the community you have experienced so that they may become part of your life, and that you may become part of their lives. Mr. Maresma has written this letter to you, to tell you about Stake Jesuit, to help you to remember the past, to help you to remember the present, and to help you to remember the future. He wants you to know that Stake Jesuit is a place where you can find a sense of belonging, a sense of reward, and a sense of fulfillment. Stake Jesuit is Christian and therefore loving and fulfilling. Now go create the type of Community you knew.

The message of your years at Stake Jesuit tells you that Community can be found in all kinds of ways, and that the challenges you face will be there, but if you are prepared to meet them, the opportunities are endless. The rewards are many. The rewards will sustain you and give meaning and purpose to your life and the lives of others through you.

We look to the future with optimism and joy because you stand ready to embrace its challenges and shape its opportunities.

Gratefully yours in our Lord,

Edward A. Maresma, S.J.

PRINCIPAL'S LETTER

STRAKE JESUIT

College Preparatory
Office of the Principal

Dear Members of the Strake Jesuit Community:

Recorded in the pages of this book for use to remember and to cherish for as long and as often as we wish are the people, the events, and the special moments which created the rich harmony of this year of our lives. I believe that each of us at Strake Jesuit has grown from our association and interaction with each other. Also each has helped others grow by contributing to the spirit of community and by sharing his particular and unique gifts with them.

As we look back in time into these pages of history--our own history--we will recall the friends and the situations which molded our lives. We will smile as we re-live the fun times and the joys of our successes and victories. But pain and frustration are inevitably present too. These should cause us to deepen our faith and should bring us to the humbling realization of our weakneses and our lingering imperfection. We need each other, and we need the strength of purpose and the unity which our Jesuit experience has given us.

I would like to thank each one of you personally for making this 1981-82 school year such a memorable one. Many friendships were formed and many deepened. May the blessings of the Lord and the peace and strength of His Spirit always be with you!

With my sincerest affection,

Vincent A. Orlando, S.J.

Troy Routh kicks another into the end-zone

El Campo (20-7)

The ranked Crusaders opened up the season with a win over the Ricebirds. Scoring came from Craig Gilcrease who totaled 152 yards and Malcolm Lewis who caught two touchdown passes

Bishop Lynch (7-0)

Due to the conditions in Dallas, scoring was kept to a minimum. Tackles Ed McCabe and Ralph Sauer anchored the defensive line. The only score came when Tom Routt plunged in for a 1-yard touchdown

Kingwood (14-7)

The Crusaders won their second game of the year with a come-from-behind victory. Gilcrease, with 201 yards on 33 carries and one TD, dominated Kingwood. Lewis scored the second TD with a six yard pass from Charlie Lewis while Tom Edick scored the two point conversion. Defensive standouts were Bear Whichard and Chuck Beck

St. Marks (20-7)

The Crusaders blew away St. Marks in their seventh game of the season. Touchdown receptions came from Malcolm Lewis and Jimmy Manning. Mike Magee made three interceptions for Jesuit while Bouncer Schiro played a key role on the defense

Huntsville (7-31)

The Crusaders, with hopes of a victory over the first-ranked Class 4A Hornets, were erased when the Hornets took advantage of turnovers. This gave the Crusaders their first setback of the season. The only score came from a nine yard touchdown reception from QB Charlie Lewis to Malcolm Lewis

St. Pius (14-10)

Due to the loss of eight key starters, Jesuit opened up district play with a critical loss against St. Pius. Craig Gilcrease scored on a 67-yard run. Chas McGuinness ran for the two point conversion. St. Pius scores came with two turnovers deep in Jesuit territory

Aldine Eisenhower (27-30)

The Crusaders were edged by the Eisenhower Eagles in a highly controversial game. What made the difference in the game was a pass interference call against Jesuit on their one yard line, late in the fourth quarter. Malcolm Lewis caught 9 passes for 206 yards and three TD's, while Gilcrease rushed for 122 yards. Excellent defensive performances were made by Bear Whichard, Ed McCabe, and Jim Loeffler

Mt. Carmel (28-0)

Tom Edick led the offense with two TD's and rushing for 100 yards, while on the defense he had three interceptions. John Carpenter, Bear Whichard, and Thad Holland were defensive standouts, shutting down Mt. Carmel's offense to 103 yards

St. Thomas (23-17)

Jesuit's first score came when Charlie Lewis connected with Robert Titus on a 14-yard pass. Craig Gilcrease plunged in a 4-yard run for the Crusader's second TD. The two-point conversion succeeded as Charlie Lewis passed to tight end Jimmy Manning. The final TD came when Lewis connected once again with Titus. The two-point conversion was successful with a Lewis pass to Gilcrease. Jim Loeffler intercepted a last minute Eagle pass to halt their final drive

Silsbee (13-28)

Tom Edick connected on a 55-yard option TD pass to Malcolm Lewis. Tom Routt kicked the PAT. The other score came on a 7-yard pass from Charlie Lewis to Robert Titus

Getting ready to make it ten in a row

The Cross Country Team had another excellent season this year by placing first in all the meets except one. Strake Jesuit competed against 5A schools the entire season. Thus beating 5A State Cross Country Champions twice. But, the real highlight of the season came when the Crusaders won their tenth consecutive state championship in Dallas' Norbuck Park under the coaching leadership of Jerry Martinez.

BOOK SALE

Book sale day occurred as usual this year. Students were given their locker numbers, schedules, parking stickers, and yes, even assigned parking spaces. The freshmen also received their name tags. Used books were sold with the help of several student's mothers. The faculty was present to aid in the selling of the new books.

Freshman orientation was held on August 20, one day prior to the first day of school. The day started off with assembly in the gym and speeches by Fr. Orlando, Fr. Maresma, Fr. Jerniskens, Mr. McArdle and class president Ed McCabe. The Class of '82 Seniors led their little brothers on a tour of the school with first stop being the freshman lockers. The freshmen then went to ten minute classes to prepare for the hectic first day of school. The Seniors served hot dogs and chips to their little brothers. The day ended with a touch football game and several students throwing frisbees.

FIELD DAY

On Friday of Homecoming week, the third annual Field Day was held. The day started out, as in the past, with Mass in the bleachers. At the conclusion of Mass, students participated in various events ranging from badminton to frisbee for artistic merit. During the course of the day class president Ed McCabe risked life and limb to put out a dryer fire in the equipment room. Once again Alex Inman and his trusty microphone provided non-stop coverage, scores, and updates of all the events. The Senior class proved too much for the underclassmen as they breezed by to win the Field Day trophy.

HOMECOMING COURT

On the evening of Oct. 2, Strake Jesuit played its annual Homecoming game. This year the opponent was Silsbee. The half time activities revolved around the crowning of the Homecoming Queen.

The court consisted of Lisa Burdick, escorted by David Novelli, Michelle Sanguesa, escorted by Ted de la Garza, Chris Crowley, escorted by Pat Mizell, Julie Reese, escorted by Eric Boudreaux, and the queen, Jenny Van Slambrouck, escorted by Tom Zinner.

HOOTENANNY DANCE

This year, the Homecoming Dance once again upheld its tradition as the grand finale of the Homecoming week. The dance was held on Oct. 3 in the gym, which was decorated by the Mothers' Club and the members of our student council. Refreshments were supplied by the Mothers' Club and the members of our student council. Fr. Toye was on hand to take pictures of all the couples. The band, "Nite Life," played a variety of music including rock, soul, and country. The dance saw a big turnout and created a positive outlook for the rest of the school year.

PEP RALLIES

At Jesuit, pep rallies have become synonymous with spirit and competition. This year, the Jesuit cheerleaders and students have upheld this tradition. As in the past, the cheerleaders provided banners and posters to set the mood for the rallies. Individual class spirit was present due to the awarding of the "spirit stick," and this led to a strong sense of school spirit.

PREP BOWL

Seventeen schools were entered in the 1982 Prep Bowl. The contest is patterned after the old General Electric College Bowl. The contest was conducted by Strake Jesuit students, under a faculty moderator. Questions covering various subjects were asked, including math, science, religion, and current events.

A THURBER CARNIVAL

The first play of the year was "A Thurber Carnival," a collection of vignettes taken from short stories by James Thurber. Comic and historic performances were given by Kelli Koppel, Tanya Zielinski, and Tricia Selmo of St. Agnes Academy and Mark Hayden, Luis Hernandez, and Mark Thomeer of Strake Jesuit. The play was a tremendous success for all involved in the production.

I'm sorry sir, but I never drink any wine before it's time

After two hours of acting, do they offer me a light?

No I'm not Juliet Prowse, and no, these are not eggs.

WAITING FOR GODOT

The second play of the year was "WAITING FOR GODOT", a major work of SAMUEL BECKETT; this play is about waiting and hoping. Outstanding performances were given by Mark Aitala, Mark Thomeer, Chris Bertini, Rob Nash, and Austin Allen. Once again, Sally Barbay's fine direction guided the second successful play of the year for the Southwell Players.

TOGA DANCE

Alberto Rocca, with the help of the student council and some friends from St. Agnes, set up the annual Freshman-Sophomore dance for April 23. Conjuring up images of Ancient Rome, the toga clad students danced to popular songs from records and refreshments were served.

SPRING

AS IN THE PAST, the Spring Fling was a great success this year. Under the supervision of the Mother's Club, it grossed approximately \$100,000.00. Construction of the booths was carried out by parents, alumni, faculty, and students, under the leadership of Mr. Richard Nevle.

Spring Fling activities went as usual this year. The auction and flea market were very successful. Rides were set up for the younger crowd. The dunking booth and the bell-ring were also big hits. Students, along with faculty, were dunked, and Joe Mooney rang the bell 71 times in a row for this year's bell-ring record.

Due to the valiant efforts of the S.J. community, the Spring Fling of '82 was once again the success it has been in previous years.

PROJECTS

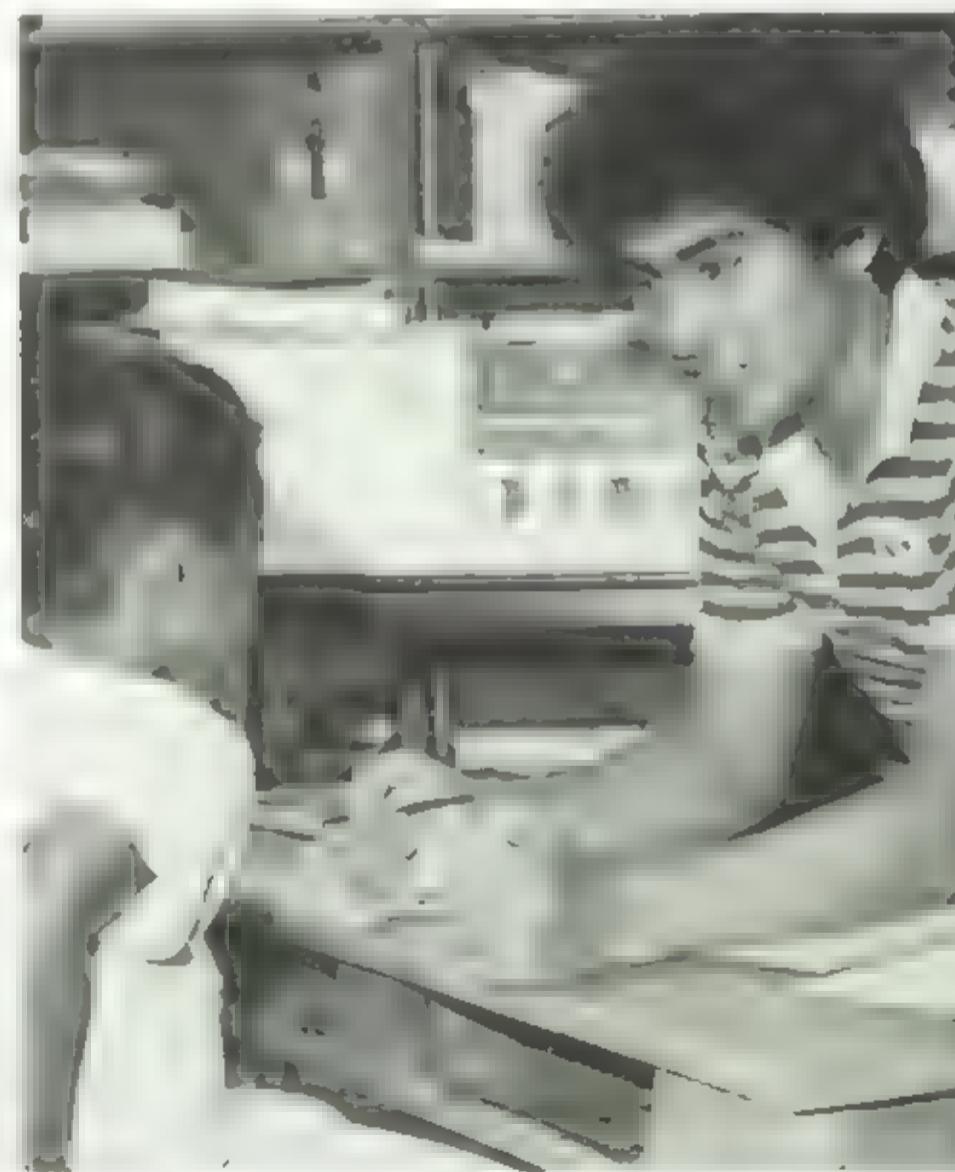

The Strake Jesuit Education involves all phases of a persons life. The well rounded person is not only educated, but strives for a clear understanding of his fellow man and to make the world a better place to live. Junior and Senior projects, Retreats, and Community Masses are the tools that help the S J student establish the spiritual foundation necessary to live the good life for himself and others.

It's as easy as 1, 2, 3.

JUNIOR CROSS AND RING

In the tradition of St. Ignatius, the members of the class of '83 received their class rings and miniature crosses symbolizing their entrance into the Senior ranks. With encouraging words from Principal, Fr. Orlando and top honor, Richard Neville, each student prepared to receive his gifts. This officially marked the beginning of the new responsibilities that will be placed upon them as the new upperclassmen.

JUNIOR-SENIOR PROM

The Junior-Senior Prom, once again held at the Westchase Hilton, was a traditional success this year. Those eating at the Prom enjoyed a buffet dinner of London Broil. The band WYNND played various rock and roll, jazz, funk, and soul selections. They kept the eager crowd dancing until the last song was played. Students were dancing on the tables, on each other's shoulders and all throughout the ballroom.

BACCALAUREATE MASS

The 1982 Baccalaureate Mass was held at St. Frances de Sales church. It was the last time the class of '82 would celebrate mass together. It was an important event for both students and faculty as it signified the beginning of the end of four years at Strake Jesuit. Fr. Maresma was the principal celebrant and the Strake Jesuit-St. Agnes Liturgical Singers were on hand to provide the music for the ceremony.

COMMENCEMENT

The eighteenth Commencement Exercises were held on May 23, 1982. His Excellency Bishop John McCarthy presided over the ceremony. Robert Honeywell received the Valedictorian award while John Vanderzyl received the Salutatorian award. Robert and John both gave very dignified and moving speeches, which seemed to reflect the strength and potential of the entire class of '82. The Seniors then received their diplomas and officially became alumni of Strake Jesuit. The seniors showed their excitement by tossing their caps. The ceremony ended with special awards being given to William Smith and Bishop McCarthy after which Fr. Maresma closed the ceremony with a farewell speech to the graduating seniors.
